Regarding Retreat Fees: The cost for Mary and Joseph Retreat Center to offer the Retreat in Daily Life is \$1700.00 per person. We are providing the retreat based on a good will pledge system, which means that after prayerfully considering your financial situation, following acceptance to the retreat, you will pledge to pay a certain total amount for your retreat. You may choose to pay in one lump sum at the beginning of the retreat, one payment at the beginning and a second at the half-way point, or 10 installments divided equally from September through June. The suggested range is 10 equal payments of \$100-\$170 though we understand that some people may be able to give more, others less. Please do not let your financial situation be the determining factor in whether or not you apply for the retreat if you feel the Lord is truly inviting you to embark on this journey at this particular time.
