## "Kaleidoscope"

This quilt takes its name from the stunning array of hand pieced hexagons tumbling across a field of swirling quilt designs. Hexagons symbolize balance and order ("as above so below" from sacred geometry). Where and when the hexagons meet, the patterns shift and change in new and unexpected ways. Both balance and chaos are here as a challenge to face all that falls our way – and to see the unexpected with a new perspective – as through a kaleidoscope!

**Special Thanks to the Mary & Joseph Quilters**
